**Sistahs Of Harlem, Carmia Marshall, Carmen Webber : T-Shirt Makeovers: 20 Transformations for Fabulous Fashions** before purchasing it in order to gauge whether or not it would be worth my time, and all praised T-Shirt Makeovers: 20 Transformations for Fabulous Fashions:

0 of 0 people found the following review helpful. Short on really useful results By Linda A Book is full of halters and designs that most women won't wear. Teens will not be able to wear them to school. A lot of unfinished edges at necklines. Results look very ad hoc - like something you tossed off, and will wear once then throw away. It does offer permission to cut things up and recombine, but I was hoping for better results. 0 of 0 people found the following review helpful. ... designs seem geared more for young people but is easy to read with lots of pictures and illustrations By Robert D. Emerson The designs seem geared more for young people but is easy to read with lots of pictures and illustrations. 30 of 30 people found the following review helpful. Stunning By Cikki I love this book. I've bought quite a few of these tshirt makeover jobs, and been a little let down. But this - this beats them all. There are a bunch of ts I can see myself putting together. And they're different - not like some of the other books out there which give you 50 variations on the same theme. They range from bare to covered up, and each design is graded as to difficulty. There are photos of the Ts being worn by models, and great diagrams of how to do the work. There's even a section at the

beginning where the Sistahs go into body types, colour and so on. Very well done book. Really glad I bought it.

Designer brands in Paris, Milan, and Tokyo are copying hip-hop street life today, and the T-Shirt is the urban fashion staple. Now, the first book from the women who redefined and marketed the torn T-shirt concept and started a fashion craze, shares 20 unexpected and easy-to-follow projects for every gal from 10-25. Here's a way to be hip, cool, and fiscally responsible all at the same time.

From the Inside Flap "If I were a T-shirt, I'd want the Sistahs of Harlem treatment." -Bust Magazine "The duo behind Sistahs of Harlem blend catwalk couture with uptown flare." -Time Out New York Designer Brands in Paris, Milan and Tokyo are copying hip-hop street life today, and the T-Shirt is the urban fashion staple. Now, the first book from the women who redefined and marketed the torn T-Shirt concept and started a fashion craze, shares 20 unexpected and easy-to-follow projects for every gal. Here's a way to be hip, cool, and fiscally responsible--all at the same time. "T-Shirt Makeovers" not only presents step-by-step instructions to turn the classic T into a fashion statement, but also exhibits it with original illustrations and vibrant photos that will showcase your creations.

From the Back Cover "Sistahs of Harlem slash, sew and style--with a message. Their designs include political messages, and they aim to empower girls with their motto: To preserve is beautiful." -Seventeen Magazine Take your old or weary, new and funky or just plain cotton comfy T-shirt and turn it into a fashion statement. "T-Shirt Makeovers" is a guide for every fashionista, a how-to style book for those who want high fashion at an affordable cost. The first book by the celebrated style duo, Sistahs of Harlem, "T-Shirt Makeovers" reveals their fashion secrets in a step-by-step format that will make turning any T-shirt in your closet into a fashion find. Consider the T-Shirt a blank canvas that can be cut, sewn, twisted, and turned. It can be deconstructed and reconstructed; recycled and resuscitated, refashioned, and reinvented. Its style can be punk-y, funky, chic, unique, retro and even classic. It can become a halter, a tank top, a peasant blouse, a tube top, or even a dress. Demonstrating the versatility of the incredible T, this book shows--with original illustrations and vibrant photos of the end result--how easy it is to turn the old into something new. The Sistahs continue to receive praise and recognition for their singular vision, from outlets such as Seventeen, YM, Jane, Bust and Ebony magazines. In "T-Shirt Makeovers," this innovative team will help you realize the unlimited possibilities of your own creativity.

About the Author Carmia Marshall and Carmen Webber are innovators and entrepreneurs based in Harlem, New York, whose original designs have gained notice worldwide. They play a large role in bringing the hip-hop fashion craze to the general public, and specialize in a unique mix of urban style and high fashion. The young, energetic duo produces garments sold under the Sistahs of Harlem brand name at select shops in America and abroad, including Japan. Both are former models who have studied design academically, and have applied their talents to dressing celebrities, including Alicia Keys and Jennifer Lopez. Their designs will be appearing this fall in the Museum of the City of New York's exhibit Black Style Now.
