He Ningyi : The First Time to Do Embroidery-500 Lovely Embroidery Patterns (Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The First Time to Do Embroidery-500 Lovely Embroidery Patterns (Chinese Edition):

The lively patterns in this book can not only be used on the handkerchiefs, tablecloth and stripes to play an role in the decoration of the inner house, but also can be used on clothes, ties and the surface of umbrellas to bring changes to ordinary life.
