I love this calendar and all of the pictures and ideas By Lindsey Bos I love this calendar and all of the pictures and ideas, the only downfall is when you write on it the writing shows up on the page behind it. It almost "transfers" like a check book with duplicates. 0 of 0 people found the following review helpful. love the photographs By Harry Beautiful photographs - bought this calendar last 2 years 0 of 0 people found the following review helpful. I bought this calendar simply because I liked how it looked By Mary Z. I bought this calendar simply because I liked how it looked. After I started using it, however, I find that I am enjoying the directions for making the flower arrangements. They are quite easy to follow, and anyone could reproduce an arrangement and have it look quite professional.
