Ron Sullivan : The Garden Lover's Guide: San Francisco Bay Area before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Garden Lover's Guide: San Francisco Bay Area:

12 of 13 people found the following review helpful. Necessary resource for Central CA gardeners By chrisclarke@igc.org A must for nursery-hopping gardeners in the San Francisco Bay Area. Extensive listings of a diverse slew of nurseries (and related businesses), garden clubs, classes and other resources is well- (and amusingly-) written. Sidebars throughout the book hold forth on various gardening issues: natives versus lawns, why to use

botanical names, the egregious chopping that passes for pruning done by street tree crews, and so forth. Well worth the paltry asking price. 3 of 3 people found the following review helpful. Great book--update needed
By From Oakland
This is a great book for gardeners in northern California. What we really need is an updated version!!

Enjoying a temperate climate year-round and lots of rain and sun, the San Francisco Bay Area is ideal for gardening -- as the thousands of fanatic gardeners around the bay will attest. Yet, until now, no one has assembled a comprehensive guidebook to the hundreds of resources in this garden-rich region. Writer and former professional gardener Ron Sullivan comes to the rescue with *The Garden Lover's Guide: San Francisco Bay Area*. Her complete, easy-to-use, and inviting handbook covers all the nurseries, equipment and supply stores, accessory outlets, flower and garden shows, special events, classes, clubs, tours, and bookstores with a green thumb around the bay. Discover hidden gardens, festive annual bazaars, outdoor sales, and so much more. For both novice and seasoned gardeners, this is the long-awaited guide to everything the Bay Area garden scene has to offer.??Visit S.F. Gate to find out what's happening in Bay Area news, entertainment, sports, and more.

About the Author
Ron Sullivan is an editor and columnist for *Terrain*, a Northern California environmental magazine, and a former landscape gardener and specialty arborist. She lives in Berkeley, California.
