**Karel Capek : The Gardener's Year - Illustrated by Josef Capek** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gardener's Year - Illustrated by Josef Capek:

0 of 0 people found the following review helpful. A gemBy CustomerTerrific little book2 of 2 people found the following review helpful. I really enjoyed Karel Capceks observations of the gardener and the garden ...By bergljotBeing a gardener myself, I really enjoyed Karel Capceks observations of the gardener and the garden life. From page to page, it is like looking into a mirror. For someone less interested in the topic, there might be a little too

many names of species, but his humor and philosophy should make up for it and give the reader some hours' joyful reading. His thoughts about spring beginning in the autumn brings sunshine and hope to me on a dark, cold and wet October day! 1 of 1 people found the following review helpful. Fluff. Lots of unfamiliar botanical terms. Still some humor a gardener will enjoy. By Walt Lots of unfamiliar botanical terms. Still, a gardener should enjoy. A quick read, interesting drawings. Fine for distracted reading time

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
