**Jodi Fukumoto : The Guide to Hawaiian-Style Money Folds** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Guide to Hawaiian-Style Money Folds:

1 of 1 people found the following review helpful. ConfusingBy Kathryn B AdairI have other dollar bill folding books

that are much easier to follow..I thought the directions were more complicated than they needed to be and didn't care for the way they were illustrated.3 of 3 people found the following review helpful. Best Book for Money FoldingBy Shannon KellyThis book is by far the coolest book I have come across for folding money. The designs are very unique and the photos of the finished pieces are beautiful. There is a great section in the front of the book that explains all of the folds you will need to use. Folds are color coded through the entire book to keep things clear. I would suggest this book to anyone interested in money folding. Designs range from easy to complicated so there is something for every skill level to try. Lastly, this book offers some great ideas to present your finished pieces as gifts. There are instructions for folding boxes, envelopes, and making leis.0 of 0 people found the following review helpful. The book is fine. I guess it took them more time to ...By William RuffinThe book is fine. I guess it took them more time to get it here because I live so far away from the mainland USA. The book has some innovations that should help to clarify and simplify the folding instructions. I may eventually buy her other money folds book.

Craft your monetary gifts with this fun and imaginative money folding book filled with delightful origami designs
