To get the desired effect, you have to use their pre-printed sheets and the results, in my opinion, are less than desirable. I understand that this is a specialty area in origami, which is why I didn't totally bash t.0 of 0 people found the following review helpful. not a ting By Mary Schroer the book is as described nothing more yo sat what the crap do you want no no no no no no n1 of 1 people found the following review helpful. AWESOME!!! By serendipity The projects in this book are easy enough for beginners, but beautiful and unique. I bought this book as a gift for my fianc, who just recently got into origami - the lucky cat, and carp on the cover charmed me. This book was definitely worth every penny. This was his 3rd beginner book, and the day before we got it, he was struggling with the poorly written instructions, and badly illustrated drawings of the other books. Within a half hour of having this book, he was creating wonderful little characters to decorate our home. Absolutely delightful! The book comes with a small amount of paper for the specialty designs (lucky cat, doll, and a few others), but even without the special paper these projects are beautiful! The spiral binding is also a wonderful feature!

Find joy and luck in "The Guide to Hawaiian-Style Origami Charms." Each origami model in this unique book has a pocket or compartment in which to place a coin. Use these charms to create a special coin lei or present them

individually for fun and luck. Include them in greeting cards, with monetary gifts and in goody bags. The charms range in subject from cranes and Chinese lions to luau pigs and shave ice. All are original designs of local treasures, native and adopted. So come along, the "Maneki Neko" (the good fortune cat) beckons you on a fun folding experience. This book includes specially designed paper to create the Maneki Neko, Chinese Lion, Boys Day Carp, Girls Day Doll, Pineapple and Shave Ice models.

"Jodi Fukumoto...has come up with a cute and whimsical way to give coins." -- Gwen Battad Ishikawa, The Hawaii Herald, December 19, 2003
