Stefan Buczacki : The Herb Bible: The definitive guide to choosing and growing herbs (Octopus Bible Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Herb Bible: The definitive guide to choosing and growing herbs (Octopus Bible Series):

0 of 0 people found the following review helpful. if you are interested in herb remedy, this is ...By mayfieldoutletif you are interested in herb remedy, this is the book, I bought this and will be my reference book. thank you

An all-you-need-to-know guide to over 130 favorite herbs in the internationally best-selling Octopus Bible format.Discover more than 130 herbs in this authoritative and attractive reference book by horticultural expert Stefan Buczacki. There is at-a-glance information on a wide range of herbs with advice on how to grow them and their best uses - both culinary and ornamental. Designing and planning a herb garden is also considered, with advice on site, soil and style.

About the Author Stefan Buczacki's name has been a by-word for the most trusted horticultural advice for well over twenty years. With his academic excellence, professional standing and a portfolio of nearly two thousand radio and television appearances (including many featuring his own garden), countless newspaper and magazine articles and over fifty books, he has an unrivaled grasp of what gardeners need and want from their gardens.
