Dan Klein : The History of Glass before purchasing it in order to gauge whether or not it would be worth my time, and all praised The History of Glass:

Treats the history of glass according to periods; origins and early glass, medieval to renaissance, 17th century, early and middle 18th century, 19th century, art nouveau, between WWI and WWII, since 1945. Copiously illustrated with excellent color and/or black and white plates on every page; has glossary, bibliography and index at the back of the book.
