Linda Barker : The Home Decorator's Stamping Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Home Decorator's Stamping Book:

4 of 4 people found the following review helpful. Easy to follow instructions, nice pictures
By A Customer
This book offers great ideas for decorating with rubber stamps. Not only does it provide design ideas, but also instructions for creating your own rubber stamps, and different paint finishes for furniture and walls. Several different projects are included and are divided by "rooms". The ideas are clearly illustrated and easy to follow.
