**Leslie Field : The Jewels of Queen Elizabeth II: Her Personal Collection** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jewels of Queen Elizabeth II: Her Personal Collection:

0 of 0 people found the following review helpful. Lot of Beautiful jewelryBy CustomerLove Edwardian style jewels.0 of 0 people found the following review helpful. Nice guide for antique jewelryBy Star of OrientI am always interested in the top grade jewelries that Royals owned. This book is not only introduced the items she owns but also the interesting back ground history of each item. I was surprised to have found the Royal Crown jewelry items were not owned till recently, they were rental from the jewelry store for some time! If you are interesting antique jewelry, this book is the good dictionary for you. I got this book for a gift to my friend in jewelry business, and he loved it.2 of 2 people found the following review helpful. Sparkling TreasuresBy J. RiceThis is a pocket guide to The personal jewels of Elizabeth II. It would be a handy guide to have with you as you visit her Jubilee exhibit in London in 2012.Geoffrey Munn of BBC Antiques Roadshow fame has written the 5 pounders on this topic, but Ms. Hope's slender volume gives

you just enough information to appreciate both the history and qualities of each piece.

Arranged by type tiaras, rings, c the plates (some in color) tend to illustrate persons rather than gems. The text, largely captions, is much more focused on the jewels and their histories. Annotation copyright Book News, Inc. Portland, Or.

From Publishers WeeklyRoyalty devotees will delight in this well-documented historical survey of the British sovereign's ornaments, depicted here in 258 illustrations. The cloth edition was a Literary Guild and Doubleday Book Club alternate. Copyright 1992 Reed Business Information, Inc.
