**Linda Kopp : The Joy of Sox: 30+ Must-Knit Designs** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Joy of Sox: 30+ Must-Knit Designs:

0 of 0 people found the following review helpful. Five StarsBy Paul F JacobsGreat service, extremely nice product, and I am very happy. Thank you."0 of 0 people found the following review helpful. One of the best sock books out there...By Simone de BeauvoirA "must-have" sock book for any fan of knitting socks. It not only has great patterns, but will also give you lots of ideas for patterns of your own. In almost every case, there is both a chart and written out instructions for each stitch, so it should accommodate most knitters needs. Although I prefer charts, I find it helpful to have the stitch written out, as well, in case I want to double check myself. You'll like the book.0 of 0 people found the following review helpful. Great sock knitting patterns!By J. JettLots of sock patterns that are now on my to do list.

Sox rocks! Here comes the hottest collection of knitted socks yet, filled with 30-plus designs and a variety of techniques, tips, and playful trivia from those in the know. And it's all in one flirtatiously fresh package.

". . . a fantastic collection of fun sox knitting project patterns . . . for completing a great pair of home-knitted sox. Color photos add to the appeal and the inspiration. . . . There are many additional tips and techniques for successful sox knitters, and fun comments in sidebars labeled 'Socktalk.' Here are patterns and instructions for 32 specially designed sock projects, one (or more) of which is sure to have lasting appeal. Grid patterns are clear and easy to read, while the witty narrative invites the novice would-be sock knitter to join a fab fun crafts group that contains many of its own rewards and perks. Sock patterns are presented by 28 talented designers, so the creative variety of patterns and projects is very high. The Joy of Sox is a pick-me-up for the confirmed craft knitter and an added impulse for the tempted beginner. All this plus it is a very fun, relaxing book to read. Midwest Book
