Charles W. Gradie : The Kitchen Table Gunsmith - An Introduction to Smith Wesson Revolver Maintenance before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kitchen Table Gunsmith - An Introduction to Smith Wesson Revolver Maintenance:

The purpose of The Kitchen Table Gunsmith is to familiarize the novice with Smith Wesson revolvers with swing-out cylinders. These are typically known as J, K, L, and N-frame revolvers. The Kitchen Table Gunsmith contains a table of contents listing over 200 topics, an initial inspection checklist covering 47 separate items, disassembly instructions with disassembly form to record observations, inspection and assembly instructions with assembly form for recording work, and a final inspection safety checklist. The Kitchen Table Gunsmith provides basic information needed for disassembly, inspection, repair, and reassembly. It includes detailed descriptions of how parts work together including the single action and double action cycles and cylinder timing. The Kitchen Table Gunsmith does not contain the answers to all your questions. The Kitchen Table Gunsmith is an introduction.
