If you've never met Nicky at one of her book signings, you should. She is a treat. But her books can be a little out there for the average knitter. The hats are cute, but I don't know a single person who would be willing to wear most of them.0 of 0 people found the following review helpful. chameleon hat best everBy SusieHave made several of the chameleon hat which looks hard to make, but is easy for me to remember, even in my senior moments.Love it!0 of 0 people found the following review helpful. I love this bookBy ArtisticpensNicky Epstein provided twenty five lovely patterns to knit in this book. I always like to include Nicky Epstein books in my library. Her work is beautifully done and patterns are very easy to follow.

This is the perfect small-project book for all knitters. Popular knitwear designer Nicky Epstein gives knitters a wide variety of fanciful and stylish hat projects to choose from. There are 25 patterns in all and tips to help readers design their own hats.

.com OK everybody, wave your circular needles and raise a cheer for The Knit Hat Book! Nicky Epstein's guide to knitting stylish headgear is perfect for knitters who love shaped knitting and who prefer clear written instructions to

graphic charts. Epstein's hat styles are typically classic, and her applique hats, adorned with leaves, flowers and other shapes, are unique and fun. About the Author Epstein has designed for Threads, Vogue Knitting, Knitter's Magazine, and numerous other publications.
