I made the one in the biggest picture on the cover. It is a little tall for my taste, I probably could have figured that out. If I made it again I would make it shorter. Otherwise it is good. I wanted hat patterns made with sick yarn because I have a huge stash of it. This book uses sock yarn in almost all the patterns, if not all of them.1 of 1 people found the following review helpful. Great bookBy AvalonI just love this book. Most of the hats are unique and interesting. I love that most of them are used with DK weight yarn and not really fine

yarn with tiny needles. The book came in a timely manner and in great condition as well. 0 of 0 people found the following review helpful. Lots of cute hats
