I have been knitting 2 years and DO know how to knit and purl but these books go way beyond basic knitting and purling. "Picking up where The Knitting Experience: Book 1: The Knit Stitch left off, this primer on the purl stitch uses clear, step-by-step photographs to guide beginner knitters through unique knitting projects. A natural progression of skills is taught, and each skill is punctuated by a knitting project, enabling new knitters to create an entire wardrobe featuring jackets, sweaters, hats, socks, and mitts. The book acts as a knitting coach, offering advice, anticipating difficulties, and providing rescue techniques. Patterns are presented in an accessible format with ample text, photographs, and line drawings. While this book is written for the new knitter, more advanced knitters will enjoy the knitting projects as

well."
