Sarah Berringer Bader : The Lavender Lover's Handbook: The 100 Most Beautiful and Fragrant Varieties for Growing, Crafting, and Cooking before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Lavender Lover's Handbook: The 100 Most Beautiful and Fragrant Varieties for Growing, Crafting, and Cooking:

0 of 0 people found the following review helpful. Love, loveBy Nancy H. MullerLove, love, love this book! If you enjoy lavender and want to know more about it, this is a good choice. I originally borrowed from the library; I liked it so much that I had to buy it.0 of 0 people found the following review helpful. Five StarsBy W M MyersWonderful read and reference.3 of 3 people found the following review helpful. Great Go-To GuideBy Garden GalThank you Sarah Bader for your excellent and helpful guide to growing lavender. I refer to this book over and over when caring for my small lavender bed. Great go-to book if you are wanting to grow and learn about lavender!

I think it pisses God off when you walk by the color purple in a field somewhere and don't notice it. Alice Walker

The Lavender Lover's Handbook provides a complete checklist of the color, fragrance, size, and foliage of the 100 easiest, most stunning lavenders available today. In addition to details about spacing, planting, pruning, Sarah Berringer Bader offers tips to harvest, cook, and craft with this wonderful herb. The abundant variety, hardiness, fragrance, and culinary opportunities make lavender one of the most popular and versatile plants, and with this practical and accessible guide, it's easier than ever to grow lush lavender at home.

From Booklist One of the most distinctive and beloved fragrances in the world, lavender has justifiably earned its multitude of devotees, thanks to its soothing and delicate aroma, varied culinary and healing properties, and rewarding landscape versatility. A bit tricky, a tad temperamental, yes, but for those who are willing to do a little advance planning and provide a smidgen of TLC, lavender will reward the observant gardener with enough sensory benefits to make it all worthwhile. Along with a thorough and enlightened discussion of lavender's specific cultural requirements and landscape applications as well as a succinct compilation of 100 top varieties, Bader offers an extensive collection of recipes and instructions for everything from lavender desserts and drinks to wreaths and wands. A nationally recognized lavender expert, Bader cultivates 5,000 plants representing more than 90 cultivars on a small Oregon farm, and her uncommon depth of practical experience and unrivaled knowledge make this an indispensable manual for the seasoned gardener and an inspiring guide for anyone captivated by lavender's alluring qualities. --Carol Haggas

Bader offers an extensive collection of recipes and instructions for everything from lavender desserts and drinks to wreaths and wands.
