Gideon Avni, Glen Bowersock, Amir Gorzalczany, Joshua Schwartz, Rina Talgam : The Lod Mosaic: A Spectacular Roman Mosaic Floor before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lod Mosaic: A Spectacular Roman Mosaic Floor:

In 1996 a series of exquisite Roman mosaic floors was accidentally uncovered during highway construction in the modern Israeli town of Lod. The mosaics featured elegant and superbly crafted animals, fish, birds and other creatures, dating to around AD 300. They probably belonged to a private house and served as a series of reception or audience halls, where visitors would have been met and entertained. The mosaic will shortly be returning from a world tour to its new home at The Shelby White and Leon Levy Lod Mosaic Archaeological Center in Lod, Israel. Published with the Israel Antiquities Authority to celebrate the new museum's opening, this lavishly illustrated volume will be the only book on this exceptional archeological find. Featuring sumptuous photography and an accessible and informative text, this captivating volume will be essential for all those interested in Roman mosaics and the fascinating history of

the region.
