BriggsThis is a larger-than-average design book containing 17 pages of cross-stitch designs by Linda Gillum on an outdoors theme, printed in black-and-white. Patterns include forest animals (bears, raccoons, elk, foxes, rams, mountain lions, wolves, etc.), a fisherman's lure box, sayings (I Fish Therefore I Am, I'd Rather Be Fishing, Goin' Fishin', Fishing Spoken Here), a wildlife sampler, and nicely detailed and colorful individual fish (Coho salmon, rainbow trout, and striped bass).These designs can be used to make coasters, table linens, mugs, key chains, caps, can holders, an afghan, or framed pieces ... nice for your camper or li'l log cabin!0 of 0 people found the following review helpful. lodge look cross stitch book.By meredythi loved the book. i lozst mine and couldnt find to replace. then i found this one. very happy with the condition of the book. and she even taped a needle to the book. i wood definitely order from her again. vi
