**Editors of Creative Homeowner, Home Plans : The Lowe's Ultimate Book of Home Plans, 3rd edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lowe's Ultimate Book of Home Plans, 3rd edition:

3 of 3 people found the following review helpful. This book was great. It lists the house plans in groups by ...By K. MarlowThis book was great. It lists the house plans in groups by square foot and I loved that I didn't have to search the entire book to see what plans were in the range I wanted. Can't argue with the price either.2 of 2 people found the following review helpful. Same old stuffBy Douglas B HarbodMost of these plans have been around for years. very little new or innovative. The same plans are in the other recommended books as well.1 of 1 people found the following review helpful. great ideas!By bethLike the Sears Christmas Wish Book from when I was a kid...love paging through to see which things I like (to put on my "wish list"! ) and which things don't suit my needs. Not actually ready to build just yet, but it's never to early to dream!

Creative Homeowner's lead title in its tremendously successful, ground-breaking home plan series, *The Lowe's Ultimate Book of Home Plans*, 3rd edition, offers readers 730 of the best-selling designs from leading architects and designers. Over 550 gorgeous, full-color photographs and 1,600 illustrations allow readers to experience homes actually built from the designs, plus some interiors. Virtually every home style is offered, including farmhouses, country cottages, contemporaries, luxury estates, vacation retreats, and regional specialties. In addition to these designs, *The Lowe's Ultimate Book of Home Plans*, 3rd edition, offers practical tips and advice on everything from selecting a site and hiring a contractor to adding such finishing touches as trimwork and landscaping.

perfect for the non-specialist general reader wanting ideas for designing and building their own dream house has a great deal to offer a perfect acquisition for personal, professional, academic, and community library shelves.
