Wealth of information By Mikie I am an academic and have used previous editions of Mallis as preparation for writing and presentations and legal documents. The new (10th) edition is up to date and provides me with state of the art information for updating my teaching and writing projects. For my next expert witness case, I'm sure that I will rely on Mallis 10 as a starting point to draft documents or prepare for

deposition and/or court room testimony.0 of 0 people found the following review helpful. This book is amazing!
