Anne McIntyre : The Medicinal Garden: How to Grow and Use Your Own Medicinal Herbs before purchasing it in order to gage whether or not it would be worth my time, and all praised The Medicinal Garden: How to Grow and Use Your Own Medicinal Herbs:

2 of 2 people found the following review helpful. Great little bookBy K. BunchI was looking for something simple to help with planting and using medicinal herbs and this book seems to fit the bill. It came it great condition too. It's gently used, just like the description said.0 of 0 people found the following review helpful. AMAZINGBy Monique ErinAMAZING0 of 0 people found the following review helpful. Five StarsBy Marrynice read lots of good information

Featuring detailed color photographs from the author's own garden for easy identification, a practical guide shows how

to grow, prepare, and use a complete range of medicinal herbs in distillations, infusions, and poultices. Original. 15,000 first printing.

Anne McIntyre means business. A sizable paperback, it is richly illustrated with full-page color photographs, and there is an excellent introduction to the history of medicinal plants. The New York Times Book
