Various : The Most Beautiful Swiss Books 2008 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Most Beautiful Swiss Books 2008:

The theme of this years catalogue is the present, since it forms the second in the trilogy Past/Present/Future, planned and designed by Laurenz Brunner and Tan Wlchli. By focusing on theoretical and practical aspects of book design, the publication is the outcome of a selection procedure concerned with questions of aesthetics and production. Jury members were Cornel Windlin, Lars Mller, Paul Neale, Linda van Deursen, and Pir Amrein. Essays by James Goggin,

Cynthia Leung, Lisette Smits, Rob Giampietro David Reinfurt.
