**Frantisek Stary : The Natural Guide to Medicinal Herbs and Plants** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Natural Guide to Medicinal Herbs and Plants:

0 of 0 people found the following review helpful. Five StarsBy Pleased customer!!Very happy0 of 0 people found the following review helpful. GREAT BOOKBy TJThis is as fantastic book. It pays to understand anything medicinal regarding herbs and plants. Natural remedies are on the rise as more and more conventional methods fail or are too cost prohibative for most people. Mother Nature is amazing. 's price was much cheaper than a local bookstore. I recommend this book to anyone interested in herbs.
