**Graham Clarke : The Organic Herb Gardener** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Organic Herb Gardener:

From sowing seeds to controlling pests, every subject an organic gardener needs to know about is covered in this A-Z directory of herbs. Along with tested advice on growing these attractive, rewarding, hardy, and resilient plants without chemicals, there is detailed information on culinary, medicinal, and cosmetic uses for each herb. Practical tips on planning the garden and propagating, planting, harvesting, drying, and storing the herbs is included, along with a handy calendar.

About the AuthorGraham Clarke has been a gardening writer and journalist for more than 25 years. He has written a

dozen books and countless articles for most of the major UK gardening magazines. At various times he was editor of *Amateur Gardening* (the UK's leading weekly magazine for amateurs) and *Horticulture Week* (the UK's leading weekly magazine for professionals), and is now a freelance garden writer and consultant. He lives in Dorset, on England's south coast. Also available from the same author: *The Organic Fruit and Vegetable Gardeners Year* 9781861085665
