From Brand: DRG : The Perfect Finish: A No-Nonsense Guide to Finishing Techniques for Knitters of Every Level before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Perfect Finish: A No-Nonsense Guide to Finishing Techniques for Knitters of Every Level:

0 of 0 people found the following review helpful. Love it! By Bernadette Vines Love this book! Since my purchase I've experimented with different types of finishes. My favorite would have to be having this book as a reference when I recently put a zipper in a pullover I made. The information is very clear and makes the experience easy for me. Everything picture is laid out in color and the details are just what I need to put 'SEE' what I'm reading about. 1 of 1 people found the following review helpful. Love it! By E.F.B. The Perfect Finish has many great tips for learning finishing techniques for your knitted projects as well as a few patterns that incorporate them so you can practice. I have already learned much from it and hope it will continue to improve my project's quality. 1 of 1 people found the

following review helpful. The Perfect Finish Wasn't By R. B. Frank Cost vs reward not equal. I am a seasoned knitter and the information provided in this book was aimed at the beginner. Sorry, my error in selection

Packed with a wealth of information, this invaluable knitting resource systematically presents each step for finishing a project. Presented in a lively, conversational style, the basics of every technique are thoroughly explained and accompanied by photographs. Ideal for beginners for its easy-to-follow approach and essential for seasoned knitters as a quick reference, this handbook is a necessary addition to any knitters library.

Dec 10 Here's a book you'll turn to again and again - you can rely on it to help you finish your projects properly - it won't let you down. Discover the art of pockets, hems, seams and facings, and become a dab-hand at buttonholes, rather than just avoiding them as many knitters do! There's a section at the back of the book with five patterns to help you practise what you've picked up. So now there are no excuses for unfinished projects languishing in your knitting bag. Knit Today Feb 11 A no-nonsense guide to finishing techniques for knitters of every level. It includes a line up of teachers and designers known for their skill and knowledge as expert finishers in the industry. You'll be inspired as Leslye Solomon shares the many creative and unexpected uses of a zipper and sewing one into a garment. You'll never look at zippers the same way again and treasure this book for its wealth of information and use it as a reliable source for all of your finishing. Machine Knitting Monthly About the Author Kara Gott Warner is a knitwear designer, an illustrator, and the author of several knitting books, including Circular Knitting Redefined, Its in the Bag, and Tops and Toes. She lives in Treasure Island, Florida.
