The Perfect Sewing CompanionBy doc2ftThe Perfect Fit provides detailed instructions and approximately 400 full illustrations that guide the anyone from the novice to professional sewer through a full range of pattern alterations. It is one of the best books on the market for any person who wishes to learn how to not only sew but to resolve pattern fitting issues and create well-fitting clothing. It is a reference book that you will want to keep with you whether you are attending sewing classes, or working in your sewing area at home. I highly recommend this book for the home sewer who is serious about creating professional-looking garments.4 of 4 people found the following review helpful. Good PurchaseBy GMSI am so glad I added this book to

my collection. Since I have more than a few figure flaws, this book has given me so much help with pattern alterations. Good Pattern alteration has been the biggest issue with my joy of sewing. This book has made it fast and easy with photos of real people with specific issues from "full figure", to "tiny figure". I love the fact that you have examples for small alterations and more involved alterations for every issue from bust to b... and sleeves to hems. Getting the pattern adjusted to fit my less than perfect figure has given me a perfect fit for my project. A really great reference book for any level of seamstress. Highly recommend it. 0 of 0 people found the following review helpful. Five Stars By RBS0005 Really helpful when teaching a class on sewing and making the pattern fit different shapes.

Good fit improves the comfort and appearance of any garment and is the reason many people sew their own clothes. However, it's common to worry about ruining a pattern when you cut it apart to make a fitting adjustment. The Perfect Fit makes pattern alterations easy with proven methods illustrated step-by-step. This complete guide includes analyzing a figure, measuring the body, customizing the pattern, and fine-tuning the fit with small adjustments like moving buttons and reshaping darts. The Perfect Fit shows how to change a commercial pattern sized for millions of women into a sewing blueprint sized to fit your figure alone. Altering patterns has never been easier, thanks to the help of 400 step-by-step photographs!
