From simple greeting cards to intricate paper creations, this engaging workbook thoroughly explains the mechanics of pop-ups while teaching paper artists of all skill levels to create 10 different designs. Step-by-step, full-color instructions coupled with detailed illustrations enable vibrant floating platforms, tabbed props, and miscellaneous other pop-up effects to be easily constructed. As each section includes perforated pages with preprinted designs and directions, scissors and glue are all one needs for nearly instantaneous pop-up creations.

"Carol Barton's pop-up workbook is glorious! Unique and delightfully playful, her work continues the time-honored tradition of movables in books." Robert Sabuda, author, *Winter's Tale: An Original Pop-Up Journey*
