Dwight P. Lanmon, Francis H. Harlow : The Pottery of Zuni Pueblo before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pottery of Zuni Pueblo:

1 of 3 people found the following review helpful. No Better Book Published on TopicBy SCOTT from FLIn my several hundred volume library of American Indian books none is better on Zuni Pueblo Pottery

The potters of Zuni Pueblo, in western New Mexico, are recognized for their superbly functional and aesthetically unique polychrome ceramic vessels. The authors examine fine and rare examples of pots--many of which are from private collections--in terms of forms and designs from the ancient antecedents of Zuni pottery to the contemporary work being produced today. The definitive treatment of the extraordinarily popular Zuni Pueblo's long and complex ceramic tradition, this book sets the gold standard and will be an indispensable reference for researchers, collectors,

Native arts enthusiasts, archaeologists, and visitors to the Southwest.
