Was just a very small book about the history of prayer bead use.0 of 0 people found the following review helpful. Five StarsBy rhondalovely and great service13 of 15 people found the following review helpful. Great Book... but...By B. L. DingerI loved the book!! It is a compact tome of beautiful passages and stirring words. The beads, although they do smell wonderful, are cheaply strung and rather weak. Be ready to restrng them or use them simply as an ornament.

Beadsround like the Earthhave been a mystical link to the spiritual world in all cultures. For the many who are discovering them as a way to slow down and regain focus, The Prayer Bead Box is an enticing and affordable way to explore this ancient practice. This strikingly designed gift from the packagers of the bestselling Buddha in a Box consists of a full-color keepsake box, a string of 108 fragrant sandalwood beads in a velvet sachet, and a beautiful four-

color hardcover book that traces the history and uses of prayer beads in both Eastern and Western traditions from Buddhism to Catholicism to Judaism. Suggested prayers and meditations help readers create prayer bead rituals of their own. As an everyday aid to serenity or an adjunct to a spiritual journey, *The Prayer Bead Box* makes an inspiring gift for spiritual seekers of many faiths.
