Part of a series of books printed in full colour on sturdy card, ready to press out and assemble a stylish selection of beautiful boxes. They are decorated with an array of patterns, motifs and geometric forms and come in a variety of shapes. This book gives ideas for romantic gift boxes. Easy-to-follow instructions show exactly how to put each box together and ensure a perfect and professional finish every time. There are even suggestions for little presents to buy and recipes for handmade gifts. Co-ordinated gift tags accompany the boxes.
