Victor Escandell : The Resourceful Artist: Exploring Mixed Media and Collage Techniques before purchasing it in order to gage whether or not it would be worth my time, and all praised The Resourceful Artist: Exploring Mixed Media and Collage Techniques:

An exploratory, artistic activity guide based around the infinite possibilities and techniques of collage and mixed media. Through ten different works produced using a wide variety of procedures, the book analyzes the process of creation step by step and offers a list of necessary tools, tips, ideas, and solutions for materials, supports, and finishes. This is a book for art enthusiasts and design professionals who love to experiment with new paths. A special section is devoted to reproduction techniques of finished works by creating small, domestic photographic sets with easy-to-make special lighting effects. Victor Escandell is a well-known book, journal, and publicity illustrator.
