**Evelyn Stiles Stewart : The Right Way to Knit a Manual for Basic Knitting** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Right Way to Knit a Manual for Basic Knitting:

0 of 0 people found the following review helpful. Great beginner bookBy Bonnie's Awesome ScrubbiesOne of my favorite books for knitting. All the basics. Had it a long time ago and loaned it to 'someone' who still has it. Now I have it again. My favorite is the pattern for two needle mittens. Really nice and easy. Have made dozens of pairs.0 of 0 people found the following review helpful. Five StarsBy Joan M BoardmanGreat basics for knitters.1 of 1 people found the following review helpful. Five StarsBy klmlearned how to knit many years ago using this same book, now it's my daughter who is learning.
