Suzy Menkes : The Royal Jewels before purchasing it in order to gage whether or not it would be worth my time, and all praised The Royal Jewels:

0 of 0 people found the following review helpful. Beautiful jewels. WOWBy Karen FlesherBeautiful jewels. WOW! My library system did not have the book, so I donated it after my sister and I had read it.0 of 0 people found the following review helpful. A RejectBy ShopperI could do without this book It is poorly organized and superficial in contentEven for a royal watcher it is a waste of time3 of 3 people found the following review helpful. This is an excellant readBy Michelle DIf you are interested in the history of the jewels of the British royals then this is for you. To see the continuity of jewels that have been passed down since Quen Victoria's time in pictures is fantastic. A must for any collector.

This exquisite, sumptuously illustrated full-color book offers a captivating, detailed history of the jewels of the British royal family. 90 color, 160 black-and-white photos.
