Beautiful gardens, great photos, pleasing layout on the calendar area By TooManyHobbies I have been buying the Secret Garden calendar every year and it never disappoints me. The gardens selected are beautiful and the quality of the photographs is excellent. On the calendar section itself there is a nice arrangement of famous quotes and lyrical descriptions of the photos. The only nit I have about this years calendar is that I think the photos in the prior two years were better. While this years photos are still beautiful, they just dont seem as vivid and striking as last years. But I still love it. I wish my garden looked 1/100 as good as the gardens in this calendar. 3 of 3 people found the following review helpful. Disappointing By Jaqueline K. Harrell I am disappointed in some of the pictures - the colors seem . . . odd, almost half-painted and half a photo, perhaps PhotoShopped, I don't know. But it isn't restful to the eye. Also the calendar part has writing down the left side, which the ad didn't show - I had wanted a full page of calendar days. It will do for my back office, but for a more prominent place I would return it. 2 of 2 people found the following review helpful. Stunning photos By Babs I love this calendar!!!! This is about my fifth year to purchase it. If you love beautiful settings with flowers and trees and lovely settings; this is for you. Plenty of room to write in the squares. I hope they make it for years to come. Kudos to the photographer and gardeners.

Now with over 1 million copies sold, THE SECRET GARDEN CALENDAR is an enchanting gift for gardeners/practitioners of America's #1 hobby. Every month, recharge the spirit in a gorgeous outdoor sanctuary swathed in green, abloom with vibrant flowers, filled with the calming sounds of birdsong and trickling water. An English garden beckons with frilly pink roses. A canopy of fiery red Japanese maple leaves is reflected in the still waters of the pond below. And a cottage garden awash in lupine exemplifies cheerful abundance. Each retreat is beautifully photographed in full color; accompanying the images are quotes, appreciations, and information about the featured garden. So follow the narrow path, unlatch the gate, peek over the aged stone wall a slice of paradise awaits.
