**Katherine Sheers, Laura Stanford : The Secrets of Sewing Lingerie: Make Your Own Divine Knickers, Bras Camisoles** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secrets of Sewing Lingerie: Make Your Own Divine Knickers, Bras Camisoles:

48 of 50 people found the following review helpful. Yay! GREAT book expect for the names they give the garments!By Tchad ElliottI've been using this book for my sewing/design students to get a handle on lingerie. It is a really great little book and the patterns are trued up well and well marked.The language and vocabulary isn't in standard American English, so there are words here and there that aren't what you would expect if you are from the US, but whatevs. You have google.I think the only criticism I really have - the only bad thing about this book are the horrible, gross names the garments are given. You feel like you are being groomed by your weird Uncle. For serious. It always brings uncomfortable laughter to the class when the students working from it start reading them aloud. "Sugar Darlin' Sweetheart", "Whisper of Kisses", "Secret Promise", "Delicious at Dusk", and probably the worst: "Hush-a-Bye" all need to be a little less weird. Or maybe my classes need therapy. Either way.0 of 0 people found the following review helpful. Love it. They include patterns and so much helpful ...By Troy VoldsethLove it. They include patterns and so much helpful information.0 of 0 people found the following review helpful. Five StarsBy

Maria Mazza Beautiful book with lots of pretty patterns inside

With just a sewing machine and some inexpensive materials, learn how to make your own truly unique knickers, bras, and camisoles. Work your way up from super easy Tie-side pants that can be customized in endless ways, to sewing with silk, tulle, and other delicate fabrics. With 25 projects and full sized patterns included, you can personalize your makes to suit your shape, size, and style, from a Lace Thong and Chiffon Camisole to a Satin Soft-cup Bra and Wedding Garters, explore the vast scope for personal, creative expression in traditionally private items of clothing, whether making them for yourself or as a gift.

About the Author Katherine Sheers studied Textile Design at Chelsea College of Art and Contour Fashion at De Montfort University. She's worked for lingerie suppliers in London, NYC, Sri Lanka, and China. Laura Stanford studied Contour Fashion at De Montfort University and has designed lingerie for UK high street retailers Marks Spencer, Debenhams, and luxury brand Agent Provocateur.
