**From Brand: Reader's Digest : The Shape of My House: A Lace Learn Book About Shapes (Lace Learn Books)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shape of My House: A Lace Learn Book About Shapes (Lace Learn Books):

All aboard the little train as he helps a mouse to find his house. Little ones will learn to recognize shapes while improving their fine motor skills as they lace their way around the shaped holes in this unique book.
