Although I haven't sewn a garment from scratch in years, I do still do my own hemming, for example. And lately it seems that all the knit tops I buy are too long. So I bought this to learn the best way to hem them. Recommended.0 of 0 people found the following review helpful. Clear instructions and filled with great tipsBy scmkThis was a gift for our daughter as my original one was not available to give to her. This book had changed my

whole way of thinking about sewing when I purchased one of the first published and took some classes at the Stretch and Sew Store in Baton Rouge, LA. I am sure our daughter will be referring to it as she sew various garments and projects. Sorry, that the business for classes has closed everywhere. 1 of 1 people found the following review helpful. Indispensable. By Tsingtao Tootsie Indispensable if you find an old Stretch Sew master pattern in your stash. The leggings pattern mean one doesn't need to pay \$99 for a pair retail.

A real classic
