Graham Rice : The Sweet Pea Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sweet Pea Book:

An inspiring and comprehensive guide, The Sweet Pea Book is for anyone interested in growing these most exquisite of fragrant flowers and using them in the garden. It covers the colorful history of the sweet pea, provides detailed practical advice on seed raising and cultivation, offers ideas for using the plants effectively in the garden, and discusses dwarf sweet peas for small gardens and patios. A comprehensive descriptive list of species and varieties will

prove useful to all sweet pea enthusiasts.
