From Mary Carolyn Waldrep : The Tatter's Treasure Chest before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tatter's Treasure Chest:

0 of 0 people found the following review helpful. Five Stars By sheshe Nice antique patterns, reprinted here. Just what I wanted! 4 of 4 people found the following review helpful. Beautiful classic patterns. By Heather C If your not already familiar with Tatting, this may not be the best book for a beginner. Today's language to read a Tatting pattern is slightly different, so it might cause confusion. For those who know what they are doing, it will be easy to translate. The completed projects are beautiful and classic. 1 of 1 people found the following review helpful. JUST OKAY FOR NEEDLE TATTING By MARY M. FISHER I KNOW THAT I JUST STARTED TATTING, BUT I HAVE PURCHASED OTHER BOOKS THAT SHOW THE CLOSEUP OF THE WORK AND COUNT THE DOUBLE STITCHES IN DIAGRAMATIC FORM. I FIND THOSE DIAGRAMS VERY USEFUL ALONG WITH

CLOSEUPS OF THE FINISHED PROJECT. IT IS NOT AS HELPFUL AS I WOULD HAVE LIKED; HOWEVER, I DO LOVE THE WORKMANSHIP OF ALL THE PROJECTS.

The art of tatting has produced some of the most beautiful, imaginative, and intricate designs in the history of needlework. Over 100 of the best of those designs many of them overlooked and out of circulation for generations have been selected for this unique collection from the pages of long out-of-print thread company leaflets of the 1920s, 30s, 40s, and 50s. The designs range from tiny coasters to a handsome checkerboard luncheon set and include elegant collars, elaborate tracery patterns for doilies and luncheon mats, and delicately beautiful edgings for pillowcases, guest towels, and table mats. Among the highlights: a distinctive Victorian tray mat, a handkerchief with a butterfly corner, heirloom baby caps and bonnets, a sunburst doily, and a spectacular jabot collar. This rich treasury of tatting classics, complete with full instructions and a photograph of each creation, offers needleworkers a dazzling assortment of time-honored designs that are ideal for home, family, and personal use, and perfect as gifts that exquisitely display the giver's needlework expertise.
