By Customer
I felt this book went beyond the standard answers on twin flames. It helped to explain the more complex problems of why I have felt so much pain and confusion each time I have re-connected with my twin flame. Some books begin to touch upon the definition and the explanation of twin soul relationships in an effort to help us qualify the relationship - I have been looking for something that would go beyond the explanation/definition and help to guide you once you have defined the relationship. This book is very short but very telling - it's full of important answers. I'm sure it could have been drawn out in it's length by adding a lot of background info on the definition of twin flames but, I found it refreshing for someone who is looking for deeper answers to why these relationships are so challenging. I would classify this book as a more intermediate book on twin flame and soul mate connections. It targets the deeper issues/struggles/challenges that are underlying in these very special connections.

This book is very easy to read, I read it in a couple of hours but I thought it would have more information. Not what I expected.

This is the worst purchased I ever had. There is only 52 pages in this book, well I would not call it a book. What a disappointment. I don't think the author is an expert in the twin flame subject at all. I'm so sorry I bought it.

We meet many soul mates during our time on Earth, mothers, fathers, sisters, brothers, aunts, uncles, husbands, wives and lovers, but nothing prepares us for the meeting (or re-meeting) with our twin flame or twin soul. The latter pairing is extremely rare and defies description and label. There is always a deep and loving bond, but because the two may not be on the same psychic page on first meeting, the many separations that ensue cause us indescribable pain. To understand this and other soul connections we have to tune into the origins of these relationships, the seeds of which often lie in one or more previous lifetimes. These have resulted in karmic lessons to be learned and worked through. This book deals with understanding the different types of soul connections, understanding the pain and how to move forward.

About the Author
CLAIRVOYANT, MEDIUM AND PSYCHIC SOUL ENERGY CONNECTIONS AND PAST LIFE READINGS
Debbie Maya (DMS Astrol.)
Debbie Maya is an internationally renowned clairvoyant, with a specialist field in reading the energies surrounding soul mate connections, which often leads her to tune into past lives. Debbie also works as a writer, journalist, broadcaster, and astrologer. She gained a diploma at the Mayo School of Astrology. She trained at the College of Psychic Studies in South Kensington and has worked, for over 30 years as a clairvoyant giving private readings, both face to face and over the phone. She was heard as the psychic astrologer, Madam Debra, on the Danny Greenstone Radio Show on BBC Three Counties Radio from 2008/9 and revived this role on Jnet Radio. She is also the author of *The Twin Soul Connection* which appeared in *Soul and Spirit* magazine and many other articles and is currently writing a book on soul connections. Debbie does many private face-to-face readings and just as many over the phone for her international clients and those that live too far away for her to see. Debbie's book, *The Twin Flame and other Soul Mate Connections* is available as an e-book and paperback via and in hardback via www.lulu.com#. She is preparing a second book, together with author and astrologer Adam Smith on soul connections but with astrological data included. Debbie, unbeknowningly channelled Cary Grant, for a client, who turned out to have been a very close friend of the film star. Debbie formed DD Psychic Events with her cousin Diane in 2009. Together they appear at private parties and fayres and are available for bookings for hen nights, birthday parties and any other kind of function.
