It gives lots of new ideas.1 of 1 people found the following review helpful. Huge referenceBy KDonovanAs a newbie to drying flowers and floristry in general, this book had an abundance of material to assist me.

A beautiful step-by-step guide to making decorative displays from fresh and dried flowers, with 1700 photographs

About the Author Fiona Barnett shot to fame as a result of her spectacular floral designs and her thriving business, Manic Botanic. She has worked with the photographer Debbie Patterson on several books, notably Wedding Flowers. Terence Moore designs and creates a highly distinctive range of decorative arrangements made entirely from natural objects and materials.
