Bill Cheek : The Ultimate Scanner: Cheek 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Scanner: Cheek 3:

0 of 0 people found the following review helpful. Great resourceBy RussGot it in record time, as advertised.In good shape, reasonable priced. Very happy with this purchase, recommend to all others!0 of 0 people found the following review helpful. Five StarsBy Robert Mykytiukas described and delivered as expected2 of 11 people found the following review helpful. OUTDATED RIPOFFBy Jackie MarloModifications in this book are for old model scanners from the early 90's.The publiser should pull this book!

What is the Ultimate Scanner? Not just a radio receiver, nor a discipline to lead you into the next generation of scanning, or even a system that gives you total control over everything that comes out of your speaker - it's this book which describes the emergence of the scanning hobby into the information and computing era, where automation adds

fun, channels and functionality to radio monitoring.
