Jenelle Montilone : The Upcycled T-Shirt: 28 Easy-to-Make Projects That Save the Planet Clothing, Accessories, Home Decor Gifts before purchasing it in order to gage whether or not it would be worth my time, and all praised The Upcycled T-Shirt: 28 Easy-to-Make Projects That Save the Planet Clothing, Accessories, Home Decor Gifts:

4 of 4 people found the following review helpful. Excellent book! Easy-to-execute ideas By Comfyshoes Excellent book! Easy-to-execute ideas! I am an art teacher and I keep this as a resource in my art room. Many eco-friendly designs as well. I have replaced disposable paper towels with upcycled napkins from this book. 2 of 2 people found the following review helpful. Fantastic for the beginner to advanced sewer! Something for everyone! By Jesy This book is

FULL of amazing projects to recycle and reuse all of those tee's and knit's we do not wear anymore. Fantastic instructions and photo's! Can't wait to make the rug and the Triangle Market Bag!1 of 1 people found the following review helpful. the photos are good, and the projects look like a lot of ...By Mary Christine DeleaI haven't made any of these items yet, but the instructions are clear, the photos are good, and the projects look like a lot of fun!

Did you know the average American throws away more than 68 pounds of clothing each year? Join the revolution to reduce your carbon footprintone T-shirt at a time! Widely known for her recycling efforts, environmental crafter and blogger Jenelle Montilone will inspire you to upcycle tees into fun and fanciful quilts, accessories, toys, and gifts for the whole family. The 28 easy-to-make projects are economical, eco-friendly, and eclectic. Consume less and create more!

The author, a self-confessed recycling and repurposing revolutionary' with a degree in environmental science, begins the book by outlining the life cycle of a T-shirt including the amounts of water, fertiliser and fossil fuels needed for the production of one shirt. After reading this you are certain to want to upcycle every T-shirt you own! The book provides you with 28 ideas for repurposing T-shirts make them into jewellery, clothing, pillows, toys etc. Most of the projects are fairly easy and suitable to do with children. (Down Under Textiles, Issue 20)Make quilts, toys, and gifts for everyone on your listall from T-shirts! This primer provides step-by-step directions to make 28 sewing, printing, and painting projects from clothing you no longer wear. Kid-friendly projects included! (Do It Yourself, Winter 2015)About the AuthorJenelle Montilone is a recycling and repurposing revolutionary. With an environmental education background, she aims to make a difference for her sons' generation by changing the way people consume and create. Jenelle lives in Phillipsburg, New Jersey.
