10 of 10 people found the following review helpful. Viking Husqvarna foot book info at a glanceBy Phil Austin, TXMy wife is a quilter and just bought a new Husqvarna Viking 930 sewing machine. She says the book is very helpful. This 7th edition footbook explains what all the feet do.If you see a particular foot your interested in you then can go to the Viking Husqvarna website under accessories find the foot and part number and determine if the foot fits your particular Viking Husqvarna sewing machine by name and model number.3 of 3 people found the following review helpful. You will be amazed as to all the different ways you can use ...By Joan ReedFor anyone into their Husqvarna sewing machine this is a must have. You will be amazed as to all the different ways you can use your feet.2 of 2 people found the following review helpful. Viking Sewing Foot BookBy LILIAN K ERSKINEInformative Foot Book! A rare find indeed!

56 pages. There are so many wonderful accessory feet available for Husqvarna Viking Sewing Machines, that many people requested a book on the how-to's of using them. The purpose of this book is to be an encyclopedia of information about feet. Although there are a few bonus designs or projects, this is not a project book, but rather a

reference book.
