Would recommend this to a friend. 20 of 20 people found the following review helpful. Great ideas, easy to follow instructions, lovely photographs By A Customer I loved this book! It had great ideas for a number of different types and constructions of books, but all of them are accompanied by excellent instructions, suggestions for variations, and photographs that further illustrate this craft. Great for beginners, or for those looking to expand their papercraft skills to bookmaking 0 of 1 people found the following review helpful. Very good By sarahv04660 They

did a good job of sending it quickly and I was very happy with the book. Thank you very much.

This volume offers 20 projects in making hand-crafted books. The projects include, a wedding album, angel photograph album, roll-up travel journal, jelly bean books, heart-shaped book necklace, lotus map book, wire-bound book, Japanese-bound picture album and a hexagonal bee book and each is shown with step-by-step instructions. There is also information about traditional book bindings, as well as how to make books that roll up, fold out, and turn inside out.
