5 of 5 people found the following review helpful. Poor recipes for all goat milk products! Big disappointment. By Bought-it-Critique Don't waste your time and money. Huge disappointment! Recipes are few and far between. More everything you should know about goats before you ever have them. I have them, I wanted to benefit from their milk. This book is not it! 13 of 14 people found the following review helpful. OK book for beginners By Reids Too much information on raising goats and not enough on value added products. I know how to raise goats; I was looking for a book filled with recipes and more in-depth on how to on those recipes. 0 of 0 people found the following review helpful. The whole goat By Tammy Wilson Root Great for the homesteader or farmer! Raise your own food. Waste nothing!
