Kathy Wojciechowski : The Wonderful World of Nippon Porcelain, 1891-1921 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Wonderful World of Nippon Porcelain, 1891-1921:

0 of 0 people found the following review helpful. Very good overview of Nippon type porcelain By Brian O Very good overview of Nippon type porcelain. The book contains a large glossary of Nippon marks, which I have been looking for. However, the marks are hand-drawn and would be much better if they were actual photographs. The book has all color photographs of the Nippon porcelain pieces. 0 of 0 people found the following review helpful. You're in for a treat with this book By J. This book is packed with photos of the most gorgeous ceramic pieces ever. Especially since they are each hand-painted. Put this book where you can look at it closely and often. Gosh, what wonderful artistry. 0 of 0 people found the following review helpful. Five Stars By Customer not problem with the order and it arrived on time

Japanese porcelain pieces of the Nippon era, 1891 to 1921, are visually exciting and form a plentiful group of beautiful, high-quality items. They are popular today with a large number of collectors. This new and lavishly color-illustrated book shows thousands of items well known by their different styles of decoration-Moriage, Coralene, Cobalt, molded-in-relief, tapestry. Included are plaques, dishes, lamps, dolls, vases, smoking accessories, and other forms. Over 830 color photographs of Nippon porcelain, identifying captions, and a concise text present this phase of Oriental art along with 130 different manufacturers' marks.

From the Back Cover Japanese porcelain of the Nippon era, 1891 to 1921, are visually exciting and form a plentiful group of beautiful, high-quality items which are popular today with a large number of collectors worldwide. This new and lavishly color-illustrated book presents thousands of Nippon porcelain items well known by their different styles of decoration such as Moriage, Coralene, Cobalt, portraits, molded-in-relief, and tapestry. Included here are hundreds of plaques, dishes, lamps, dolls, vases, smoking accessories, and other forms in many variations. Over 830 color photographs, identifying captions and text present this phase of Oriental art along with 130 different manufacturer's marks. This reference work will be especially valuable to the collectors, art dealers and appraisers who enjoy the variety of Nippon wares. A Values Guide is included. About the Author Kathy Wojciechowski, an active collector and dealer of Nippon porcelain for over twenty years, lives with her family in Peotone, Illinois.
