Isao Honda : The World of Origami before purchasing it in order to gage whether or not it would be worth my time, and all praised The World of Origami:

0 of 0 people found the following review helpful. Great transaction!By Rebecca GoffLearned to do Origami from this book I borrowed in the 80's. So glad to have found it and received it so quickly so that I can impress my granddaughter with my folding skills!0 of 0 people found the following review helpful. Good purchase for me launching a new hobbyBy GuiseppeSo pleased with my purchase. Starting off with paper art I found this book easy to follow and most helpful with diagrams indicating where and how to fold. I find it very easy to follow.0 of 0 people found the following review helpful. Great!By Alicia RileyThis is the abridged edition of The World of Origami so those who are hoping for the original then this is not it. My copy is in good condition, it's big with easy to read instructions and diagrams.

There mix rage of very to hard depending on the fold skills and age though be warn there cutting and more then one paper used if you care about stuff like that.
