This is the best book of patterns for crocheted animals!By A CustomerThis is the book that made me love crochet. I bought it 20 some years ago when my kids were small, and made many stuffed animals. My kids still talk about the dragon they used to sleep with and the cricket that sat on the toy box. I loaned this book out and never got it back and searched the book stores for another copy. I have grandchildren now and I can't wait to remake some of my kids favorites for them, as well as some new ones. This book is a treasure!

About the Author How *THE YARN ANIMAL BOOK* started: My Great Grandmother Caroline taught me how to make pompoms. My Uncle Roger taught me two things: how to eat lobsters with my bare hands and how to make balloon animals. The balloon animals and the pompoms came together in a hospital in Vermont where my 15 year old soul was confined with a broken leg for all of spring vacation. I sent my mother to the "5 and 10" for yarn and back the next day for pipe cleaners. I had ruined my younger sister's skiing vacation, but this was my moment to create the very first Pompom Poodle Pup. It was yellow and white, exactly like the one in the book. How I've spent the rest of my time: As a Mortgage Broker for 30 years, I followed the lives of first time home buyers, finding mates, filling bedrooms with children, and buying bigger houses... It's been great fun seeing their families and careers grow. Now I'm focusing on writing and drawing. The magic world of Amazon and Kindle have made it possible for me to follow my dreams! I hope you will share them with me! How *THE SINGLE-MINDED PRINCE* started: A severely injured gray and white cat dragged himself through a hole in our fence from a back alley in DC and collapsed in our yard. Dr. Benson, our wonderful veterinarian, patched him up, and Gray Malkin Stutterfoot joined our family and became babysitter for Tuna-Una's kittens, allowing Tuna-Una the freedom to hunt for food for her babies. The story came from a colorful dream inspired by Gray Malkin and Dr. Seuss
